

(7) SEVEN QUESTIONS THAT RATTLE IN THE MINDS OF MOST MEN

SESSION 5

It means the world to me and many around you that you are taking the time to lead men through these questions.

In Session Five, we look at the question, *Where am I going?* The big idea is that *your legacy will be defined by default or design.* All of us have a picture or description of a desirable future. What is yours?

Session 5 - Warm Up:

1. Are you past, present, or future oriented?

Session 5 - Discussion Questions:

1. What do you want people to say about you at your funeral?
2. Who do you or don't you want to end up like? Why?
3. Is the path you're on now leading to your desirable future? If not, what is one thing you need to change?

I hope you have great conversations!
