
LET'S TALK ABOUT IT

1. How do you think our culture views work?
2. Why is one of the first questions we ask when meeting someone, "What do you do?"
3. Have you considered the purpose of work? How has your view changed over time?
4. Is it difficult for you to associate God with your work? Why or why not?
5. Jeff stated, "The purpose of your life at work is to show that God is at work in your life." How do you respond to this statement? What could that look like practically for you?

If a man is called to be a street sweeper, he should sweep streets even as Michelangelo painted, or Beethoven played music, or Shakespeare wrote poetry. He should sweep streets so well that all the hosts of heaven and earth will pause to say, "Here lived a great street sweeper who did his job well."
